## Summary

Front-end UI Developer based in Los Angeles, CA. Focused on React.js, Javascript, ES6, HTML5 & CSS3, Styled Components, AJAX, MVC Architecture, mobile and Responsive UI development.

Please visit my website at <https://mikejoo.dev/netlify.app>

## Experience

### Professional Time-Off & Development

#### Career Break

Jul 2020 - Present (2 years 2 months +)

I took time-off during COVID due to personal reasons. I also made use of this period to learn React and strengthen my knowledge on current technologies.

### Senior UI Developer

#### Cigna-Digital

Sep 2013 - Jun 2020 (6 years 10 months)

Formally known as Brighter Inc. until acquisition by Cigna Health, I started out as the sole front-end UI developer in a start-up team of 8 developers.

I worked closely with in-house designers to transform PSD mocks into pixel-perfect webpages for the flagship website.

Mentored incoming UI developers on current coding standards and assisted other fellow developers with front-end issues.

Check out the sites below for reference:

### UI Developer

#### Square One Solutions, Inc.

Jun 2012 - Sep 2013 (1 year 4 months)

Implementing front-end web-based UI development using HTML5, CSS3 for clients such as, but not limited to:

DirectTV

ValleyCrest Landscape

Union Bank

Green Dot Financial

Agile Health

Also assisting the design department on image production and graphic/UI design tasks.  
Concentrated focus on Twitter Bootstrap and responsive UI development for mobile and tablet devices.

## **Senior Tech Recruiter**

Internet Brands

Feb 2010 - Jun 2012 (2 years 5 months)

Involved in full cycle tech recruiting for all IT and web development needs for the headquarters office as well as off-site subsidiary locations. Sourcing candidates through various online and social media sites as well as existing contacts, administering tests, initial phone screens to onsite interviews, providing feedback to respective hiring managers and VP/C-level executives, and presenting offers to potential employees. Also involved in mentoring recruiters for faster wrap up time in tech recruitment.

## **Senior IT Recruiter**

The Thor Group

May 2008 - Sep 2009 (1 year 5 months)

Contract, Contract to Hire, Direct Hire placements for IT & Accounting Specialists.

## **Lead Account Executive**
